Hooked On School Week!

Dear Parents and Students,

This year we will be celebrating Hooked on School Week from February 15 to February 19, 2016. To mark this occasion both sectors (ETS&B and C&VDC) will be working together to create two trees that will decorate the school. These trees will be decorated with leaves that include messages of perseverance and encouragement.

Throughout the week we would like to encourage students to wear clothes (or an accessory) of a specific colour each day. Each colour will represent a theme that we have chosen to focus on that day.

Here are the colours that we ask the students to wear each day with their corresponding themes:

Monday: Red/Rouge for Respect

Tuesday: Orange for Organization/Organisation

Wednesday: Violet for Valiant/Vaillant

Thursday: Emerald/Emeraude (Green/Vert) for Effort

Friday: Platinum/Platine (Gray/Gris) for Perseverance/Persévérance

Thank you for your participation,

The Hooked on School Week team
