The Easter holiday is approaching! Please note that **Friday, April 15 and Monday, April 18** are **holidays**. There will be **NO** school during these days. April 19 is a pedagogical day, so students will return on the Wednesday (April 20, 2022). Happy holidays and happy Easter!

Thank you!

## REMINDER:

- Please remember to return library books as soon as possible
- Please enroll your children as soon as possible for next year if you haven't yet
  - Cafeteria is closed until the end of April

## TEMPERATURE

We know that the temperature changes quickly during this time of year. We ask that you check the weather conditions and dress your children according to the outdoor temperature when they leave the house to go to school. The schoolyard also remains very wet, so **all students must wear winter boots, mountain boots or rubber boots until notified otherwise. All students must wear waterproof pants (snow pants, nylon pants, etc.) to play outside.** The Director will make the final decision on when we no longer need to wear them, depending on the weather.

*Please include extra socks in your Childs book bag!*

Thank you!
