Introduction to chess

Children from 6 to 12 years old are invited to come and learn the basic rules and strategies of the game of chess. Children who already have some basic knowledge and would like to join the group will be welcome. The facilitator will make a match considering the achievements if necessary.

Participants with a chessboard at home are welcome to bring it. Chessboards will also be made available to players.

Reserve your spot at the school library's loan counter or by phone at 450 538-5843.

TD Book Club

Bilingual and free, the TD Book Club is for all children, regardless of age, interests, and abilities. The Club invites children to discover the pleasure of reading in their own way, so that the love of reading accompanies them all their lives. In-person registration will begin in mid-June. Your child will receive free Club stickers and a notebook to write down their readings. The Club's website will be launched on June 13, 2022. Children will be able to do many activities:

1. create a virtual notebook
2. read e-books
3. vote in the duel of books
4. write book reviews
5. answer the quiz question of the week
6. write stories
7. read and post jokes
8. read a comic book created especially for the Club
9. see workshops and reading sessions with Canadian authors and illustrators
10. print coloring pages
11. find the perfect book.

The Club is there for everyone, including children with reading difficulties, toddlers (0-5 years old) and their families.
