

A REMINDER

SUBJECT: Vaccination – First dose (Hepatitis A & B, HPV)

SCHOOL: Sutton School

VACCINATION DATE: May 6th

Dear parents,

We would like to inform you that a vaccination will be offered at school.

Therefore, we would like you to:

- ↳ Send the vaccination record or health booklet on the morning of the scheduled vaccination.
- ↳ Make sure also that your child eats a good breakfast.
- ↳ Make sure that your child wears a short-sleeved shirt on the day of the vaccination.

If your child is scared to receive the vaccine, we suggest that you take the time to listen to what scares them and answer their questions. The unknown is always scary and can cause anxiety.

We thank you for your cooperation.

School nurse
